

# GOGO Pedal-E

## Pedal-assisted pedal boat

 5     L: 3.3 m     250 W     day     4 km/h     245 kg

Pedal boat  
made in Italy

100% recyclable  
hull

Intuitive  
joystick drive

Assisted pedaling  
with paddle impeller

Self-draining

The usability of a pedalo combined with the practicality of a pedal-assist system, to experience nature without fatigue. GOGO Pedal-E is the **pedal-assisted pedal boat** by GardaSolar, the perfect combination of technology and high-end design, 100% Made in Italy. Forget standard pedal boats: GOGO Pedal-E features a **250 W electric motor** to help you navigate, making your trip even more

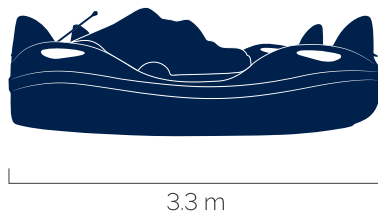

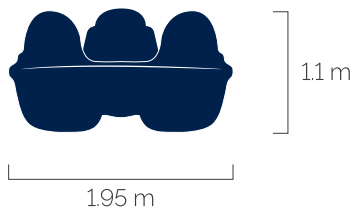

enjoyable, just like a modern bicycle. A system that is simple and safe even on the beach thanks to an **impeller with blades**. Completing the product are the **innovative design** and **ergonomics of the seats**, which are comfortable and cosy, accommodating up to **five people**.

green, fun & tech

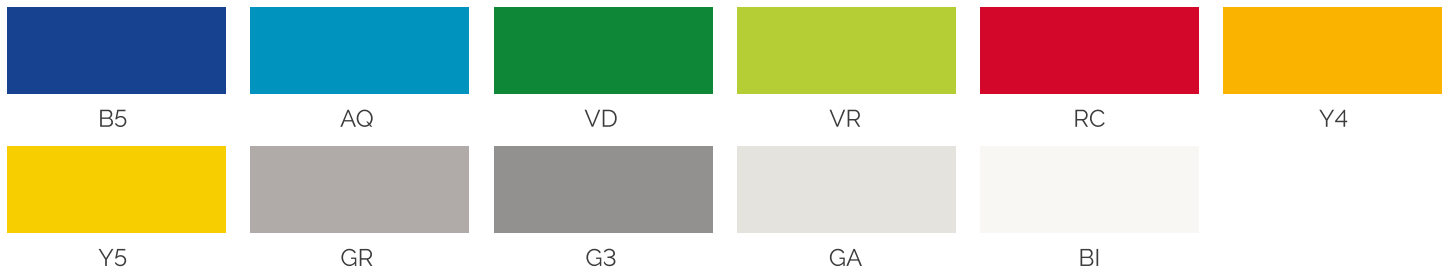

# DIMENSIONS

# COLOURS

Fun to drive,  
fun to customise

You can customise your GOGO in many colours and with any image or logo. Ask for a customisation brochure.
